Industrial

Location

Acton's Walk is situated on Wood Street, with frontage and access to Chapel Lane (A49) one of the main arterial roads in and out of Wigan town center. Acton's Walk is approximately ¼ mile to the south of Wigan town center in a predominantly trade counter location. Nearby occupiers close by include The Range, City Plumbing, Warm Living and Chapel House MG.

Acton's Walk is conveniently located approximately 5 miles from Junction 6 of the M61 with Junction 26 of the M6 c3 miles to the west which is also the start of the M58 motorway leading to Liverpool. The recently completed A49 link road has improved access.

Description

The scheme comprises a modern, industrial/trade park estate, providing 8 self-contained units with communal yard and parking facilities. The specification includes:

- Steel portal frame construction
- Facing brick work and profile steel cladding
- Insulated roof
- Roller shutter access doors to the front
- Minimum eaves height of 4.5m
- WCs within units
- All mains services are connected.

The scheme provides units from 850 sq ft (79 sq m) to 1,752 sq ft (162.7 sq m).
